

June 14, 2010

To Whom It May Concern:

Doyon Utilities, LLC is soliciting responses to their Request for Bid to construct a utility project known as, "FTW 336A Aircraft Storage".

Bids must be submitted on forms furnished by the Owner that include the Contract Form, and the bid tab must be delivered in a sealed envelope to the Owner. The project name, name and address of the bidder, date and hour bids are due and the words "Sealed Bid" must be printed legibly on the envelope. All bid sheets must be completed in ink or typewritten no alterations allowed. The bid response will also contain an electronic copy of the contract and bid tab on a CD that is uses Microsoft compatible software. If a Contractor's Bond is required, it must be presented to Doyon Utilities within five (5) working days of Contract Award or the bid will be forfeited.

Doyon Utilities reserves the right to reject any or all bids, to waive irregularities or technicalities, and to request rebids. Doyon Utilities will consider the construction schedule, Bidder's relative experience, and a balance between prices for labor and materials and the total price for the respective construction. However, in all cases, Doyon Utilities reserves the right to award in whichever manner is in the best interest of Doyon Utilities.

The sealed bids will be received at or before June 16, 2010, 2:00 p.m. at Doyon Utilities' office, at which time and place the proposals will be publicly opened and read. Any proposal received subsequent to the time specified will be promptly returned to the bidder unopened.

The work is identified in the documents attached to the proposed Contract, including the Staking Sheets, the Bid Tab, Doyon Utilities' System Design Manual, and Construction Unit Drawings and Specifications, and the Construction Contract. If the Bidder's Proposal exceeds \$500,000 a Contractor Bond must be provided on the attached Contractor Bond form.

A Pre Bid meeting is TBD.
