Attn: Jason Bergman
RE: Utility Service Extension to Aircraft Parts Storage - FTW 336A

Proposal for adding an additional 6 feet of perma-pipe associated with DCVR #9

Total Cost: \$ 2,619.00

Mechanical:

- Time associated with correspondence, quantifying, and procuring additional materials from Doyon Depot.
- Cut materials in preparation for installation.
- Placement, tie-in, weld carrier pipe and casing.
- Pour foam insulation, shrink-wrap and HDPE sleeve

Please see the attached item summary and analysis sheet and contact the undersigned if you have any questions.

Thank You,

Travis Malin
Project Manager

*plus time + overhead for us
also the surveyor had time
towards this.*
